

College of Computing and Informatics (All Department)  
Final Exam Schedule –First Semester 1444H (2022-2023)

Courses vs Sessions						
Day /Date	Course Code	First Session	Course Code	Second Session	Course Code	Third Session
		3:00pm – 5:00pm		5:30pm – 7:30pm		8:00pm – 10:00pm
Saturday 2022-11-19	CS231	Digital Logic Design	IT351	Computer Networks	IT440	System Integration
	DS243	Computer Architecture and Orga	IT210	Computer Networks		
	IT231	Introduction to IT and IS				
Sunday 2022-11-20	CS242	Theory of Computing	CS350	Introduction to Database	IT490	Senior Project I
	CS141	Computer Programming II	IT244	Introduction to Database	IT344	Database Management Systems
	IT245	Data Structure	IT404	Web Design	IT402	Integrated Enterprise Systems
			IT270	IT Project Management		
			IT362	IT Project Management		
		IT446	Data Mining and Data Warehousi			
Monday 2022-11-21	CS230	Object Oriented Programming	IT352	Human Computer Interaction	IT441	Multimedia System Development
	DS230	Object Oriented Programming	IT201	Human Computer Interaction		
	IT232	Object Oriented Programming				
	IT403	Fundamentals of Databases				
Tuesday 2022-11-22	SCI101	General Physics 1	IT340	Network Management	IT407	Professional Issues
	SCI201	General Physics 2				
Wednesday 2022-11-23	IT361	Web Technologies	IT445	Decision Support Systems	CS352	System Analysis and Design
	IT233	Computer Organization	IT475	Decision Support Systems	IT353	System Analysis and Design
	IT230	Web Technologies	ENG103	Technical Writing	IT243	System Analysis and Design
	IT405	e-Portals Development				
Thursday 2022-11-24	CS243	Discrete Mathematics for CS	IT448	Mobile Application Development	IT342	Enterprise Systems
	IT409	IT Security and Policies	MATH251	Linear Algebra	STAT101	Statistics
	IT476	IT Security & Policies				
	MATH150	Discrete Mathematics
